12

Core features
in both versions

Solo

20 features
€24 a year, incl. VAT

Tutti

32 features
€49 a year, incl. VAT

FEATURE	SCOPE	SOLO	TUTTI
Core features			
<small>VIEW</small> Clashes	Overlaps between all lists, including teaching	✓	✓
<small>VIEW</small> Free days and holidays	Days without events, holidays with events, counted for the period	✓	✓
<small>IMPORT</small> Load date lists	Excel and CSV, assign columns, rules for coloured rows or participants, event type is recognised	✓	✓
<small>VIEW</small> Overview	All lists in one calendar: periods, groups, filters and search	✓	✓
<small>EXPORT</small> Printing	A4 landscape, each month on its own sheet, as-of date, notice when a printout is out of date	✓	✓
<small>IMPORT</small> School and public holidays	By region in Germany, Austria, Switzerland and the Netherlands, automatically	✓	✓
<small>EXPORT</small> Sharing	As text or once as a calendar file (.ics)	✓	✓
<small>VIEW</small> Substitutes	Mark them, show them on their own, remind the substitute in good time	✓	✓
<small>TEACHING</small> Teaching times	Weekly teaching for each school, holidays are skipped	✓	✓
<small>REHEARSALS AND PROGRAMME</small> To-dos and reminders	Rehearsal as deadline, "+1 week", "waiting for reply", yearly reminders	✓	✓
<small>VIEW</small> Unconfirmed events	Collect and tick off	✓	✓
<small>REHEARSALS AND PROGRAMME</small> Until main performance	All rehearsals of each band up to the next main performance, overview of performances	✓	✓
Additional features from Solo			
<small>EXPORT</small> Calendar link	Your events in Apple or Google Calendar, changes arrive by themselves	✓	✓
<small>EXPORT</small> General pause	Block time, for example a day for friends; Taktplan reports every event that falls into it	✓	✓
<small>IMPORT</small> Inbox	Drop notes and files, typed or dictated, and later turn them into an event or to-do	✓	✓
<small>REHEARSALS AND PROGRAMME</small> Print rehearsal sheet	A4 sheet for each rehearsal with ensemble, goal and planned pieces	✓	✓
<small>REHEARSALS AND PROGRAMME</small> Rehearsal diary	Note a few sentences after each rehearsal, readable for each rehearsal phase	✓	✓
<small>TEACHING</small> Timetable	Students per teaching day, rescheduling, cancellations and make-up lessons that fit your calendar	✓	✓
<small>EXPORT</small> Wall display	Today, tomorrow and the next performances on an e-ink display or tablet	✓	✓
<small>VIEW</small> Your own start view	How Taktplan opens, the same on every device	✓	✓

FEATURE	SCOPE	SOLO	TUTTI
Additional features in Tutti			
ACCESS AND ACCOUNT Access for management and family	Own sign-in, read only; management sees its own events, everything else as "busy"		✓
EVALUATION Annual overview with trips	Journeys, kilometres, rehearsals and performances per group, for your tax return		✓
REHEARSALS AND PROGRAMME Cloud links for the rehearsal phase	Recordings, part assignments and documents from your cloud at every rehearsal of the phase, one tap opens them		✓
EXPORT Concert dates on your own website	Released performances appear there automatically		✓
REHEARSALS AND PROGRAMME Konzertplan	Running order with dramatic arc, interval, encores and total duration		✓
REHEARSALS AND PROGRAMME Programme and rehearsal plan	Concert programme, progress per piece, overview of the rehearsal phase		✓
IMPORT Sync with club apps	Konzertmeister and ClubDesk: see differences between your list and the band calendar at once		✓
VIEW Tight travel times	Too little time between two events, with routes and buffer		✓
TEACHING Timetable generator with preferred times	Collect preferred times via personal links and calculate the plan, before the new school year		✓
Additional features with Claude in Tutti			
✦ Help with Claude	Ask questions about using Taktplan right in the help, answered from the manual		✓
✦ Konzertplan with Claude	Research on the works and suggestions for mottos		✓
✦ Sort the inbox with Claude	Claude suggests an event, to-do or list, also from Word, PDF and photos		✓

✦ works with Claude (AI), can be switched on if you wish.

Included in every version: all devices, five languages, light and dark mode, quick help and guide. During the beta test, features are released step by step; prices apply from the final version.
